### *AGOD* by Thorne Brandt runs through August 3

AGOD (acronym for animated GIF\* of the day) is an “organic” video about the fear of order and disorder. The work is comprised of daily animated GIFs, created and collaged over a 3-year time span. The non-linear, open-ended narrative speaks to the rapidity and abundance of information available in the digital age.

\*GIF is an acronym for graphic interchange format. GIFs are computer files used for the compression and storage of digital video images.

The museum will close at 4:30 p.m. on Thursday, July 3, and all day on Friday, July 4. Happy Independence Day!
