

WISDOM — WOMEN IN CHEMISTRY

2.13.2023

12:30 – 1:45 PM

O'Brien Hall, 417

Join us Monday, February 13th, from 12:30–1:45 PM, for IWL's Spring WISDOM lunch featuring alumnae from the field of chemistry.

WISDOM is an ongoing series that highlights women and nonbinary individuals in Science, Technology, Engineering, and Mathematics (STEM) along with related Social, Behavioral, and Economic (SBE) science fields. In addition to discussing the challenges that underrepresented groups face in STEM & SBE fields, attendees will be able to talk and network with panelists in small groups.
